Dear Potential Member,

Do you want to increase your sales, company and product/service awareness, and easily meet a group of 240 extraordinary businesswomen who have widespread contacts throughout Monterey County and far beyond? If so, we want to extend an invitation for you to join **Professional Women's Network of the Monterey Peninsula** ([www.pwnmonterey.org](http://www.pwnmonterey.org)), celebrating its 25th Anniversary in 2008.

As a business professional, we know you understand that the value of becoming involved in a powerful organization can dramatically increase your company's visibility. For only \$135 per year, the **Professional Women's Network** offers a myriad of marketing opportunities including:

- ❖ Two e-blasts per month to our 240 members who love to read about new products or services
- ❖ An introduction at every monthly meeting held on the 1st Wednesday of the month at Embassy Suites in Seaside from 5:45 pm – 7:30 pm with great networking
- ❖ An introduction at every Power Networking monthly luncheon meeting held from 11:45 am – 1:15 pm on the 3rd Thursday of the month at Jack's at the Portola Hotel and Spa in downtown Monterey
- ❖ Introductions at every Saturday Workshop meeting held on one Saturday morning each month at Ream Construction in Sand City from 9:00 am – 11:30 am
- ❖ Visibility in the well-read monthly PWN newsletter and on the website
- ❖ Showcase (2 minute) presentation opportunities at the monthly meeting
- ❖ Preferred Sponsor status for donations to our raffles, donations of food, wine and other items needed for meetings and at the Woman of the Year Event
- ❖ Possible guest opportunity on the monthly PWN "Your Town" TV/Radio show at AMP Cable/KNRY 1240 AM airing the first Tuesday of the month from 5:00 pm – 6:00 pm
- ❖ Advertising opportunities on our well-read website: [www.pwnmonterey.org](http://www.pwnmonterey.org)

Unlike other organizations, even if you don't have time to attend meetings in person, the e-blasts, newsletter and website provide an easy and valuable way to market any new products or services you may be providing, or to promote upcoming seminars and events you're planning.

Please be aware that although PWN is primarily directed toward women professionals, we do welcome male members as well. The \$135 annual membership fee is for one designated person from your company.

The Professional Women's Network is dedicated to connecting women (and men) in business – whether they're business owners or employees -- by offering opportunities to network, gain information, establish mutually beneficial associations, and have fun, while learning strategies to become more successful in their careers or grow their own businesses. Founded in 1983, PWN is the Monterey Peninsula's largest organization of professional women, with more than 240 members representing a wide spectrum of professions. In fact, it is the Monterey Peninsula's largest organization of professional women. Our membership is comprised of entrepreneurs, professionals, employees, and retirees. PWN members look first within the network for products or services they need, and actively promote the businesses of fellow members.
